TO: ADPA Contract Agencies

FROM: John Viernes, Jr., Director   
Alcohol and Drug Program Administration

SUBJECT: **POSSIBLE STATE FUNDING REDUCTIONS**

As a result of the State budget deliberations, and the potential major program reductions under consideration, the Alcohol and Drug Program Administration (ADPA) is issuing this notice to contracted providers that the County may be required to either reduce the funding or terminate some or all of ADPA's current agreement(s) with your organization.

The Governor's May Revision budget proposal for FY 2009-10 could adversely impact the ADPA services by more than \$50 million. However, this number may change when a final State budget is approved.

These cuts may impact services provided by ADPA-contracted providers like your agency. Notices and updates regarding potential State funding reductions and the ongoing impact to services will be distributed to you as information becomes available.

If you have any questions, please contact me or your staff may contact your assigned Contract Program Auditor.
